

- Page 4, lines 4 - 10, insert the following replacement section:

“The seeds from the aforementioned hybridization were germinated and evaluations of the resulting seedling plants were conducted in a controlled environment. As a result, ‘Evipo020’ was selected by Raymond J. Evison and Mogens N. Olesen in their Clematis development program in ~~Domarie Vinerics Les Sauvagecs, St. Sampsons,~~ Guernsey, Channel Islands, ~~United Kingdom~~ in July 2000.
